

## Sampler

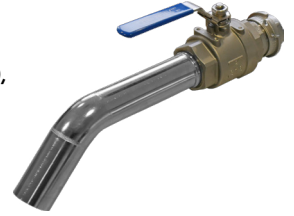

Sampler in stainless steel, on the one hand consisting of a combination of a blind plug VB 80 and a 1/2" ball valve and on the other hand a outlet pipe at the end 90°.

Part number	Article description
200101405	Sampler for tank outlet 3"

## Empty hose nozzle

Empty hose nozzle ZL-VK, 2" ball valve, with 45° outlet and curve piece, optionally VK50 or VK80, completely in stainless steel.

Part number	Article description
200300062	Empty hose nozzle ZL-VK 50
200300061	Empty hose nozzle ZL-VK 80

## Connector for Deep Sea Containers

Stainless steel extension pipe, 300 mm long, with R3" IGW, flat-sealing, incl. a PTFE seal, on the other hand with welded-on MK 80 SS.

Part number	Article description
700200050	Connector for Deep Sea Containers

## Stainless steel tube

Stainless steel tube extension pipe, 300 mm long with R3" external thread on both sides, flat-sealing, and a lateral 45° outlet R3/4" for nitrogen.

Part number	Article description
700200056	Connector for containers with use for nitrogen

## Universal key

Universal key for hose boxes in stainless steel with double beard and double square on the one hand and double square on the other 8 mm inner and outer square.

Part number	Article description
800000204	Universal key for road tanker

## IBC connector

IBC adapter in stainless steel with internal thread S 60 x 6 on the one hand, R2" AGW on the other hand.

Part number	Article description
200101558	IBC connector with thread

## IBC connector with hose coupling

IBC hose fitting in stainless steel, with internal thread S 60 x 6 on the one hand, hose sleeve NW 38 on the other hand.

Part number	Article description
200102004	IBC connector with hose coupling

## Compressed air coupling

Compressed air coupling in stainless steel and Viton® sealing, optionally in the versions R3/4" and R1", or as one-piece-version R1 1/4", R1 1/2" and R2".

Part number	Article description
800100207	Compressed air coupling 3/4" AG
800000083	Compressed air coupling 3/4" IG
800000055	Compressed air coupling 1" AG
800000054	Compressed air coupling 1" IG
800000126	Compressed air coupling 1 1/4" IG
800000123	Compressed air coupling 1 1/2" IG
800000127	Compressed air coupling 2" IG

## Compressed air blind coupling

Compressed air blind coupling in stainless steel, Viton® sealing.

Part number	Article description
800000056	Blind cover

## Compressed air hose coupling

Compressed air hose coupling in stainless steel, 25 diameter, with safety collar, Viton® sealing.

Part number	Article description
800000075	Hose coupling
